What did you like about the 2022 season? Any highlights?

It was wonderful! It was my first time playing in a league and playing with just women. I have met so many wonderful people and have made so many friends! I had a blast playing the Halloween Play Day!

Every week was different.. I enjoyed everything about it

Loved the socials, playing with different ladies each time & making new friends. Very well organized.

The fellowship with other golfers and the luncheons

Enjoyed the new tournament Mamma Zia

The continued encouragement from playing partners!

As a new member of Alto Lakes CC, through AL9GA I made new friends. I love it!! I especially liked the Halloween fun, but I looked forward to every week.

Meeting new 9-hole players

I very much enjoyed the golf, gatherings and awards party in my first year! Well Done!

The different formats for the play days

The games, and the Mamma Zia tournament! And as always, loved Halloween play day.

Being a brand-new golfer and everyone welcoming to the group! Meeting so many nice people. and of course, the shocking hole in one. :)

Ability to play golf and meet other players and build new friendships

Sleeping Bear

What suggestions do you have for the 2023 season? Is there anything we can improve on?

The past 2 years a playday is organized at Kokopelli when the Alto course is available to us. Why not schedule Kokopelli or another course on a day that the Alto course is being used for another purpose?

More outings on different courses

Play back 9 Alto more

I enjoy the scrambles to get to know more players of different abilities.

I would love to have more fun lunch gatherings, but I loved it all .. great job

I'm sure this is dictated by course maintenance, but I'd like to see us play the back nine more often. I'm often surprised that people say they've never played the back nine.

When playing in flights try to get separation so that there isn't a lot of waiting.

Maybe start a little later? Especially when it is cold.

We currently have a mixture of flighted playdays (play with people with similar handicaps) vs. non-flighted playdays (play with people at different levels) during our season. Do you like this mix or have any suggestions to improve?

NOTE: We are required to have 2 playdays a month where you can post your score to GHIN. These playdays will always be flighted.

I like the days where we can post our scores.

I really enjoy playing with players with varying handicaps. Not only do you get to meet more people that way, but it's also just fun!

My preference would be one non-flighted a month, but I'm fine with it as is.

The current set up is good, but I also would not mind more golfing with lower handicap golfers

I like the mix of players with differing handicaps but would like playing with similar handicaps as well.

Enjoy the mix!

I love playing with others with similar handicaps. I really do appreciate getting to play with better players too so I can see ways I could improve my game.

Two flighted playdays each month seems about right.

Did you like having 2 tournaments this year?
Any suggestions to improve the tournaments for next year?

I really like playing the back nine at Alto so I would like to see us utilize that for the member-guest tournament as well. The food was excellent at both tournaments.

Loved the new tournament. However, we have got to do improvements on speed of play.

I played in Sleeping Bear and thought it was such fun and well organized.

Just one tournament is plenty. Seems we have so many tournaments between 9 holes and 18 holes.

Enjoyed both tournaments very much.

Tournaments were great!!!!

Loved the tournaments! They were very well run I thought!

No more than two. Just too many other tournaments at Alto

Only played in one but plan on playing in both next year

**We currently have one social a month from May through October.
Do you have any suggestions or comments related to our current social format or schedule?**

I like having one a month and enjoy going to different homes.

Might consider all socials on play days right after finishing.

I think the socials are great.

Love what you have been doing.

Socials were fun. If you have complaints, don't come.

I'd like more, but I'm a party girl.

No suggestion-always nice to meet new members

Love getting together with the group.

Socials are wonderful, and the current format is good. Could they be on a different afternoon than the play days?

Would you be interested in having a few one-hour golf clinics throughout the season if the cost was around \$10 per person?

Definitely yes!

No, I prefer private lessons

I would love that! I benefitted from the chipping lesson this year!

I think that's a great idea.

Absolutely!

Yes, I would participate, depending on the subjects of each.

There were 52 people that said yes!

Would you be interested in a Sun Sleeve UVA shirt with the AL9GA logo for next year? (It could be a little more expensive)

32 Yes - 6 No - 12 Unsure

Would you like to have one or two playdays at other locations?

35 Yes - 10 No - 10 Unsure

If yes, what other locations would you like to play?

Any suggestions for playing offsite?

Would you be open to playing on a day other than Monday?

Outlaw, Kokopelli, The Links, and Inn of the Mountain Gods are all enjoyable. Those are the only other courses I've played in NM other than Cree Meadows. I wouldn't mind playing other courses.

The Links, Kokopelli, we had a fun time at Desert Lakes in Alamo once

Any place

Mondays only, please.

Yes, in town or out. Could play other than Monday

Only those in or close to Ruidoso. Golf on any day but Tuesday which is bridge day

Kokopelli, The Links, Cloudcroft

No farther than 30 minutes away

I think Monday is most apropos ,because we are "programmed" for that! Kokopelli and the Links.

I love Outlaw! Kokopelli is fun. The Inn would be great if they would work with us

Anything but Cree Meadows. Yes.

New Mexico Tech in Socorro, Kokopelli, the links

Yes, to playing on others day besides Monday. The Links would be fun, and Kokopelli was enjoyable.
